

SONOMA COUNTY EAGLE FORUM

**Thursday, April 30: 6:30-8:30 p.m. at Roundtable Pizza,
2065 Occidental Rd, Santa Rosa, CA**

**Join us for the Celebration of Nyla
Blair's 85th Birthday.**

Nyla has been serving as our song leader and is a faithful member since 2020 when we were all fighting for medical freedom from COVID. We will have pizza and birthday cake and celebrate her life.

The birthday celebration will be followed by speakers who attended the recent April 25 state conference in Westminster, CA.

They will report briefly on the events and speakers that took place under the theme of *“What Does the Future Hold for You - Freedom or Total Control?”* Speakers will be: David Campbell, George Hebert, Maureen Pennal, and Orlean Koehle.

Our final speaker will be Mariola O’Young, who will speak on “My Recent Political Observations of Europe – Leading to Less Freedom and More Control.” She will tell of her stay in Poland, where she is originally from, and her travels through Europe. She is very concerned now that so much socialist/communist ideology is coming back into all of Europe. They seem to forget the lessons from the past after World War I and II. She will answer the following questions: 1) How much freedom does Poland have to make their own decisions – or are most laws now coming from the EU? 2) What difference has it made to have 5 million refugees from the Ukraine now in Poland? 3) What difference has it made in destroying western civilizations and Christian religions with all the 20 million Muslim “refugees”/ immigrants now spread throughout Europe? 4) How much money is involved in children being taken from parents through “Child Protective Services” and put into child sex rings.

We may have a few local candidates running for office drop by and speak briefly. It should be a very full and informative evening. Please invite a friend to come with you. Please RSVP so we can have enough pizza and cake for everyone. Call Orlean at 707-539-8393. There is no cost, but donations are gladly accepted.
