

VOTE Wisely Orange County

Fellow Patriots, we have an amazing opportunity in the 2026 primary (and then in the general election) to dismantle the Democrat Party’s death grip on our once golden state. Together we can end the Democrats’ super majority, which is responsible for highest taxes in the nation, highest homeless population, high crime, high poverty rates, high utility costs, high gasoline pump prices, low education rankings and immense fraud.

We can make California GOLDEN again if we work TOGETHER in this election, however ...

EVERYONE MUST VOTE!
